Home

- Updated to the new look & feel

The screenshot displays the 'My JCMS Home Page' interface. At the top, there is a navigation bar with tabs for 'Home', 'Search', 'Juvenile', and 'Other Tasks', each with a dropdown arrow. A mail icon is located in the top right corner. Below the navigation bar, the page title 'My JCMS Home Page' is visible. The main content area features a large 'Welcome' heading. On the left side, there are two sections: 'Find a Juvenile' which includes a blue 'Search' button with a magnifying glass icon, and 'Find Other' which contains two buttons: 'Offense Associate Search' and 'Photo Line-Up Search'. On the right side, there is a section titled 'Other Tasks' containing a list of links: 'Ad-Hoc Reports', 'Caseload', 'Court Docket', 'Maintenance', 'Reports', 'Secondary Officer Caseload', 'Security', and 'TJJD - EDI Extract'.

Search

- **My County Only** is now a sticky preference
- Updated **SoundEX Enabled** to return exact matches first and then SoundEX matches

A screenshot of a search interface. It features four checkboxes stacked vertically. The first three checkboxes are checked and each is enclosed in a red rectangular box. The first checkbox is labeled 'My County Only', the second 'Juvenile Only', and the third 'SoundEX Enabled'. The fourth checkbox is unchecked and labeled 'Archived Records'. Below the checkboxes is a green button with the word 'Search' in white text.

- Renamed **Add New** button to **Add New Juvenile**

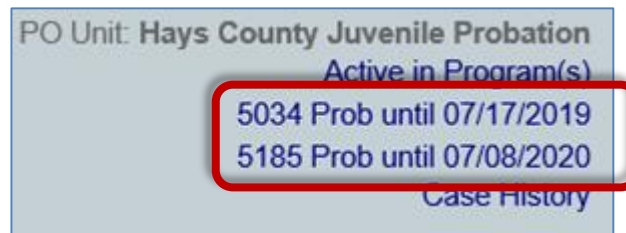

Juvenile ID

- Because of changes in the law, **Restricted Access flags** were removed from juvenile folders automatically
- In the **Most Recent School** section, the **Grade** line now shows current grade and status

Chronological Notes 2

- The displayed chronos can be **sorted** by any column
- Clicking on a chrono **expands** it in the list
- Updated **Print Details** so **Chronos** print in the order they are sorted on the screen

Chronological Notes 3

- On the **Add/Edit** screen, you can now **Tab** out of the **Author** field (rather than having to click)
- A **system administrator** can now delete one or more **Chronos** by using checkboxes and the **Delete** button.
- Added **two new roles** that can **delete chronos** created by other users and **system generated chronos**
 - Detention Supervisor with Delete Chrono/Warrant Privilege
 - Probation Supervisor with Delete Chrono/Warrant Privilege

Chronological Notes 4

- In **Maintenance**, you can add templates. If you include **[text in brackets]**, a user can **Tab** to each field and fill in details (**Shift-Tab** moves back)

The screenshot shows a form with the following sections:

- *Type**: A dropdown menu with "Office Visit" selected.
- *Author**: An empty text input field.
- Referral**: A dropdown menu with "Select a Referral" selected.
- Offense**: A dropdown menu with "Select an Offense" selected.
- *Note**: A text area containing the template text: "Juvenile Probation Officer [P.O.'s Name] met with [Child's Name] and [Parent/Legal Guardian's Name] in the office on [Date].". This text is enclosed in a red rectangular box.

Maintenance – Actions & Dispositions

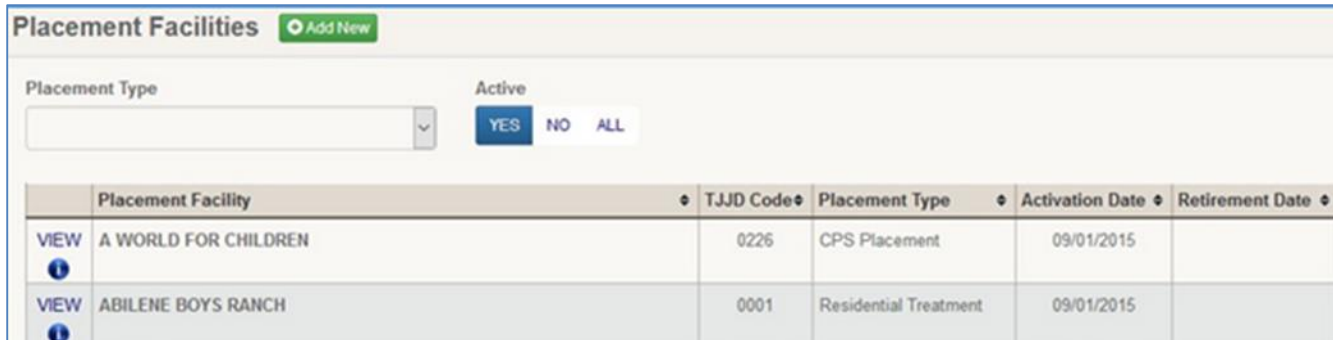

- Added a new **TJJD Referral Disposition** type
 - **025 - 5301 Under Age 12 Referral**
- Added two new **DPS Intake Action Provision** types:
 - **636 - 5301 Under Age 12 Diversion Supervision**
 - **644 - 5301 Under Age 12 Diversion Supervision Completed**

Maintenance – Funding Source

- Added a new **TJJD Funding Source** type for **Discretionary State Aid Grant (DSA)**
 - If your department receives the Diversionary State Aid Grant, your previous DSA Funding Source code was converted to this new TJJD Funding Source Type
 - If your department does not receive the Diversionary State Aid Grant, you do not need to create a new Funding Source code

Maintenance – Placement 1

- Updated the **Placement Facilities** screen
 - Added columns for **Activation Date** and **Retirement Date**
 - Columns can be sorted by clicking on the arrows
 - Added an option to filter by active, inactive, or all

The screenshot shows the 'Placement Facilities' screen. At the top, there is a title 'Placement Facilities' and a green 'Add New' button. Below the title, there is a 'Placement Type' dropdown menu and an 'Active' filter section with buttons for 'YES', 'NO', and 'ALL'. The main content is a table with the following columns: 'Placement Facility', 'TJJD Code', 'Placement Type', 'Activation Date', and 'Retirement Date'. The table contains two rows of data.

	Placement Facility	TJJD Code	Placement Type	Activation Date	Retirement Date
VIEW 	A WORLD FOR CHILDREN	0226	CPS Placement	09/01/2015	
VIEW 	ABILENE BOYS RANCH	0001	Residential Treatment	09/01/2015	

Maintenance – Placement 2

- Updated the **Add New Placement Facility** screen
 - Changed **Placement Facility** text box to a **lookup field** (only facilities in the new system list are searchable)
 - Changed **TJJD Facility Code** and **Address** to **read-only**
 - Added **Activation Date** and **Retirement Date** fields

The screenshot shows the 'Add New Placement Facility' form. A red box highlights the 'Placement Facility' lookup field, which contains 'Agape Boarding School - Stockton, MO'. Below it, the 'TJJD Facility Code' (9000068) and 'Address' (12998 E. 1400 Rd.) are shown as read-only fields. Another red box highlights the 'Activation Date' and 'Retirement Date' fields, both with date pickers set to 'mm/dd/yyyy'. The form also includes a 'Placement Type' section with various checkboxes like 'Emergency Shelter', 'Parental Placement', 'CPS Placement', 'Secure Correctional', 'Kinship Placement', 'Residential Treatment', 'Foster Care Eligible', and 'Hospital'.

Maintenance – Placement 3

- Updated **Placement Type** checkboxes, based on whether the facility is **TJJD Secure** in the system list
 - If the facility is, **Secure Correctional** is enabled (and other types are disabled)
 - If a facility is not, **Secure Correctional** is disabled

Add New Placement Facility

Maintenance – Sealing

- Modified **sealing** records to
 - **Allow** sealing a **referral** or **offense** that has a **program without a begin date** associated
 - The program is also sealed
 - Give a **soft warning** when sealing a **referral** that has a **JJAEP record** associated
 - The JJAEP record is not sealed
 - **Allow** sealing an **offense** with a **court record** associated
 - If only one offense is associated, the court record is also sealed
 - If other offenses are associated, the court record is not sealed

Case History Report

- Updated to the new look & feel
- Added **Select All** and **Clear All** buttons
- Added a **date range** filter for **Referral History**
- The system retains previously selected options (sticky)

The screenshot displays the Case History Report interface. On the left, a list of categories with checkboxes is shown: Overview (checked), Abuse History, Address History, Alert Information (checked), Associates (checked), Behavioral Health Information, Community Services Restitution, Defense Attorney Assignment, Detention History, Drug Test History (checked), Employment History, Family Income, Fees, JJAEP Referral History, Medical Information, Offense History (checked), Placement History, Program/Services History, School History (checked), Substance Abuse History (checked), Supervision History (checked), and Dispositions (set to Pending). On the right, there are filters for Chronological Notes (checked), Court Hearings, and Referral History (checked). Each of these three categories has a 'From' and 'To' date range filter with calendar icons. At the top right, there are 'Select All' and 'Clear All' buttons. At the bottom right, there are 'Cancel' and 'Print' buttons. A 'Type' dropdown menu is also present, currently showing '-- Select --'.
